NOTE 5 - DEPOSITS AND INVESTMENTS (cont...)

The real estate investment fund is not required to liquidate or encumber assets or defer investments in order to make redemptions. There were no unfunded commitments at year end.

All investments of the real estate investment fund are appraised by an independent third-party appraiser each quarter, commencing the quarter after the investment is made with the exception of newly acquired assets which would join the appraisal cycle within two quarters of purchase. All appraisal reports are completed in accordance with the currently published Uniform Standards of Professional Practice, as promulgated by the Appraisal Foundation.
